

REG NO: 2006/010120/23

# Company Profile

**MoleteNET** Energy is a licensed B-BBEE wholesale petroleum company based in South Africa. Established in 2006, the company specialises in the wholesale, distribution, and marketing of high-quality petroleum products nationwide.

## Products

- Diesel 50ppm
- ULP 93
- ULP 95
- Illuminating Paraffin
- Jet A1 Fuel
- LPG (bulk supply)

MoleteNET supplies bulk volumes (9,000L and upwards) directly from refineries to clients in the mining, construction, automotive, industrial, and commercial sectors, including generator fill-ups.

The company is a preferred reseller and distributor for major partners such as Total Energies, PetroSA, and Puma Energy.

Committed to quality, reliable service, cleanliness, and an excellent customer experience, MoleteNET focuses on fuelling the success of businesses across South Africa.

## Our Mission

To deliver high-quality petroleum products i.e. Diesel, ULP 93, ULP 95, Paraffin, Jet A1, and LPG with reliability, integrity, and outstanding customer service to businesses across South Africa.

## Our Vision

To be South Africa's leading customer-centric bulk fuel supplier, creating exceptional value for our clients, stakeholders, and employees.
