

REG NO: 2006/010120/23

Company Profile

MoleteNET is a proudly South African Close Corporation registered in terms of the Companies Act Registration number: 2006/010120/23 100% owned by **Shadrack Molete** and holder of a valid Petroleum Wholesale Licence.

We are a dynamic dual-force enterprise that delivers cutting-edge ICT Solutions and premium bulk petroleum products to businesses across South Africa, Mozambique and Zambia.

Our Combined Strengths

- 1. Bulk Fuel Division** – Powering Industries Nationwide We supply high-quality diesel, petrol, and specialty fuels to the transportation, mining, construction, agriculture, and industrial sectors. Backed by a nationwide distribution network and a team of seasoned logistics experts, we guarantee on-time, on-budget delivery – every time.
- 2. ICT Solutions Division** – Driving Digital Excellence From enterprise network infrastructure and cloud services to cybersecurity, software development, and smart automation, we empower organizations with future-ready technology that boosts productivity and reduces costs.

Our Mission

To empower African businesses with dependable, cost-effective ICT and bulk fuel solutions – eliminating downtime, enhancing connectivity, driving productivity, and maximizing operational efficiency across every sector we serve.

Our Vision

To be Africa’s most trusted and innovative partner in both energy and digital transformation, recognized for seamless integrated service, cutting-edge technology, uncompromising safety, and an unwavering commitment to sustainability.

MoleteNET – Fueling Progress. Connecting Futures. One partner. Two powerhouse solutions. Infinite possibilities.
